

Test, Trial & Rental Programs

**Need to see how easy our systems are to operate before you buy?
Have a special need, compliance or emergency project?**

7-Day Test Drive

Have a system delivered to your facility to test, feel the quality of construction and experience the ease of use. Test Drive fee covers shipping to your location¹ and 2-liters of BioSpray® D2 Surface Sanitizer & Disinfectant is included. If you decide to not keep the unit, we pay the return shipping¹; keep the unit and your Test Drive fee is credited to your purchase amount.

30-Day Trial

Put our system to work at your facility for 30 days on a trial basis and let your employees see the speed and efficiencies in your environment and facility. The only commitment you make is for the BioSpray®-Approved Technology formula and the shipping cost for it and any accessories. At the end of 30 days, if the BioSpray® System is not right for your particular application, we'll have it picked up from your facility and we'll still pay the return shipping on the Power Pack unit¹.

Short-Term Rental Equipment

Perfect for periodic large-scale or specialty sanitation projects, assisting in returning a facility to compliance in the shortest time possible, as well as for emergency/disaster/pandemic tasks and other demand use situations. We are certified hazmat shippers and can airlift your equipment and formulas within 24 hours² to your Continental U.S. locations.

**FREE Healthcare Cart - \$285 Value
Limited Time Special on
Light Duty Healthcare LD-10H**

Complete a 7-Day Test Drive or 30-Day Trial on the Light Duty Healthcare LD-10H and keep the Rubbermaid High Capacity Cleaning Cart at no extra charge. Simply return the BioSpray Light Duty LD-10Hc Calf Unit, including the Base and Lock'N Go Connection, and the Rubbermaid Cart is yours to keep.

Program Rates ³	7-Day Test Drive (5)	30-Day Trial (5,6)	Facility Rental Daily Rate (6,7)	Contractor Rental Daily Rate (6,7)
Commercial PSD-20RT	\$150.00	\$285.00	\$125.00	\$250.00
Commercial CN-80	\$150.00	\$160.00	\$100.00	\$200.00
Light Duty Healthcare LD-10H	\$285.00	\$325.00	\$80.00	\$175.00
Light Duty LD-10	\$100.00	\$160.00	\$80.00	\$175.00
Light Duty LD-5 Backpack	\$100.00	\$160.00	\$80.00	\$175.00
Damage & Late Fee Deposit ⁴	No	Yes	Yes	Yes

¹Continental U.S. locations only; outside continental U.S., contact us for details.

²In most situations; inventory limited and subject to availability.

³Some conditions apply; see Program Agreements for complete details.

⁴Damage and late fee deposit is 50% of all equipment for all programs, excluding 7-Day Test Drive.

⁵Open to Facilities only; Contractors not eligible; one 7-Day Test Drive and one 30-Day Equipment Trial per Facility per Power Pack Model type; applicable daily rental charges are assessed for late returns.

⁶Plus applicable formula (requires one case minimum purchase of BioSpray-Technology Approved Formula), accessories, sales tax and non-covered shipping charges; late fees totaling the applicable daily rental rate will be deducted from deposit; shipping and applicable sales tax not included; see specific Program Agreement for complete terms.

⁷Four day rental minimum required and includes two days travel time each way for shipping (four days total travel at no extra charge plus 4 day minimum rental equals eight days total Program Agreement Period).
